

### CONTENT AREA EXAMINATION(S)

In order to obtain a Professional certificate a teacher must provide passing scores on a content area examination.

Applicants who have already passed a content area exam(s), in another state may submit a copy of the original score report(s) with the application for professional certification.

Applicants who do not possess a copy of an original score report may submit a letter written by the issuing authority in the state in which the examination was taken. The letter must indicate the name of the exam(s) taken, the score(s) earned, and the minimum passing score(s) for the exam(s).

Applicants who have taken the Praxis II may submit a copy of the original score report from ETS.

Praxis II score reports may also be sent directly to Teacher Certification from ETS. To contact ETS, visit [www.ets.org](http://www.ets.org). Applicants using this option should email Teacher Certification at [tcwebmail@alaska.gov](mailto:tcwebmail@alaska.gov) or check their [teacher certification account online](#) to verify passing Praxis II scores are on file, BEFORE sending in the Professional teacher application.
